

**Report on Parent–Teacher Meeting (PTM) Held on 18th October 2025  
Woods Park Sainik School, Hamirpur**

A Parent–Teacher Meeting (PTM) was successfully conducted on 18th October 2025 at Woods Park Sainik School, Hamirpur with great enthusiasm and active participation from parents, teachers, and cadets.

The objective of the meeting was to create a meaningful interaction between parents and teachers to discuss the overall academic progress, discipline, and extracurricular performance of the cadets.

The PTM began with a warm welcome by the teachers who emphasized the importance of collaboration between parents and teachers in shaping the cadets' character, academic excellence, and leadership qualities. She

highlighted the recent achievements of the school in academics, sports, and various co-curricular activities, motivating parents to continue supporting their wards in maintaining discipline and sincerity.

Parents visited the respective classrooms where they interacted with the class teachers and subject teachers. They were briefed about the performance, behaviour, and participation of their wards in different school activities.

Teachers also provided constructive feedback and shared suggestions for improvement in academics and discipline. Many parents appreciated the school management and faculty for their dedicated efforts in nurturing the cadets and maintaining high standards of education and discipline.

The Commandant and Administrative Officer also interacted with the parents, addressing their queries and assuring them of continuous improvement in all areas of cadet development. The meeting concluded with refreshments and a group discussion between the staff and parents to strengthen communication and cooperation between home and school.

Overall, the PTM was highly successful in building a strong bridge between teachers and parents. It provided a valuable platform for exchanging views, setting future goals, and ensuring the all-round growth of cadets of Woods Park Sainik School, Hamirpur.
